

THE POWER OF LIFE

Creative Scholarship

Gulf Coast Regional Blood Center's *The Power of Life* scholarship program will award each of **22** local area high school students a \$1,000 scholarship to be applied toward their education.

The Power of Life Creative Scholarship is about more than just getting you cash for school – it's about community involvement and the importance of helping others. Your ideas could help The Blood Center save even more lives.

For scholarship award criteria, see the back side of this page
or to download an application, go to:

www.giveblood.org/scholarship

Inquiries and information:

(713) 791-6665 or scholarship@giveblood.org

Application Deadline is March 19, 2012

The Power of Life

Commit for Life.

How Do I Qualify?

- Your school must host at least two blood drives during the 2011-2012 academic year.
- You must plan to attend an institution of higher learning the following year.
- You must have a minimum GPA of 2.5 (on a 4.0 scale).

What Is a Creative Project?

Use creative outlets, such as blog entries, essays, videos, songs or wherever your talents may be. Use your imagination to inspire individuals to **Commit for Life**. (Be sure to follow the formatting guidelines.)
